Leinie's Guys To Be Drinking for Ukraine at GWA -Tailspinner

Eagle River, WI GWA Organizer Buck Tailspinner issued a statement on Monday announcing that the Leinie's Guys would be "Drinking for Ukraine" at the upcoming GWA-2023.

Said Tailspinner, "It's come to our attention at GWA Headquarters that there are thousands, if not millions, of sober people in Ukraine. The Leinie's Guys will be addressing that head on by consuming an extra beer or two each day on their behalf."

The Big Lake Bar to benefit the Ukraine in 2023.

Tailspinner went on to explain that the Drink for Ukraine campaign would include mixed drinks as well. "Look, I know some of the guys prefer a cocktail or two around the campfire and, as long as they've been drinking beer all day, that's fine," acknowledged Buck. "The important thing is that the underserved and unserved people of Ukraine know how much they care."

The Leinie's Guys had mostly positive reactions to Tailspinner's announcement.

"I guess I could slip in an extra beer if it helps," nodded Leinie's Guy Keet Moericke.

"I'm a giver," asserted Leinie's Guy Mikey Bishop. "I'll have one more for sure. The Ukrainians can count on me."

"I was planning on bringing an extra jug of margarita mix anyway," shrugged Leinie's Guy JJ Henry.

"If it's the least I can do, then I'm in," said Leinie's Guy Jackson Alters. "As long as I can sit down while I do it."

"Yep, yep, yep I suppose I can have a little extra shot once in awhile," agreed Leinie's Guy Deano Radke.

"I guess it's like the old 'clean your plate' thing," stated Leinie's Guy Puck Johnson. "I was never really sure how that helped, but what the hell, I'm in."

Leinie's Guy Lard Krueger probably summed it up best when he said, "I just hate seeing pictures of all those sober people over there. Bottoms up!"
